Converse County Aging Services of Douglas (DBA Douglas Senior Center) offers public transportation to folks who need a ride. We are a **CURB-to-CURB** service that goes around Douglas as well as offering scheduled rides to Casper with 48 hours' notice. Our hours of operation are from 8am to 3pm. When going to Casper, the hours are from 9am to 1pm. The fee is \$1 per stop for local rides and \$15 for Casper trips. Public clients must pay the fee. For CCAS clients (60 years + with an up-to-date AGNES) each ride is a suggested contribution.

We are happy to take you to your doctor's appointment with some stipulations. We need 48 or more hours' notice for appointments. If you are to be put under any anesthetic or need more than minimal assistance getting to the vehicle, you will need to have a Personal Care Attendant to ride along with you. Please make sure your emergency contact information is available. The driver is **NOT** the emergency contact person.

Transit system information is available upon request in alternative accessible formats to ensure effective communication for individuals with disabilities.

Individuals may request reasonable modifications to policies, practices, or procedures to ensure equal access to transit services by contacting Converse County Aging Services with the number below.

We appreciate the opportunity to serve you. Call Douglas at 307-358-3112 or Glenrock at 307-554-0955 to schedule your ride today.

Thank you
